Jira , Manual Testing

Excellent Communication Skills

Projects

Bootstrap 5 Responsive Website:

Developed a responsive and modern web interface using Bootstrap 5. The project demonstrates proficiency in Bootstrap's grid system, components, and utilities to create a clean, mobile-first design.

YouTube Style Backend Application:

Schema Link: <https://app.eraser.io/workspace/YtPqZ1VogxGy1izlDkzi>

Built a MERN stack backend API simulating YouTube functionality. Designed MongoDB schemas for videos, users, playlists, likes, and comments. Implemented secure authentication, CRUD operations, and relational data modeling.
